from Their Majesties

Gentle Outlanders--

We are well pleased with the camaraderie and fellowship We are seeing everywhere this winter feast season. The voices of Our people raised in song have especially warmed our hearts. It has come to Our notice that there is a plague running through the kindgom, and We hope it doesn't affect festivities as Twelfth Night feasts continue.

Master Walter Kempe of Falconhold and Mistress Fiachra ni Ciardhubhain, Baron and Baroness of Caerthe, will be stepping down at Caerthen Twelfth Night. We thank them for their long service to our most august barony.

Aten oppression has taxed Artemisia and the Outlands heavily, and the time to rise up has come. Contact your old shield brothers and get them to war practice. Use your spare armor to outfit a new fighter, and prepare them for the glory they will earn amidst the Outlands' joyous forces at Estrella.

Know that our Warlord, The Honorable Lord Caesan MacCullum, is our Field Commander. The Honorable Lord Kynan of Wyre Forest commands the north, and Lord Roger de Gilbert commands the south. Look to these warriors for training and strategic direction.

The first heavy weapons battle of Estrella will be fought Friday morning. Rapier melee scenarios will be fought Friday afternoon and Sunday. There are many challenging archery scenarios starting Friday morning. Adjust your travel plans so you can be there to support your Kingdom.

We have heard reports of great works being planned and created for the Arts point at Estrella and we are pleased. The categories are poetry, spinning, and tournament furniture and we are confident that we and our allies will teach Atenveldt some better methods and inspire their artisans to greater heights and so that all our lives are improved.

Our warm thoughts are with Our people during this wintry season. May your journeys be safe and your arrivals all joyous.

Winter deepens further...all ships of the Outlands' Royal Navy are locked in by ice. There is nothing worse than a bored sailor....but wait! Is that the sound of a cannon? Is there someone to fight? Venturing closer, the deep sounds echo out in a rhythmic pattern....Are there many cannons? Surely this is a glorious battle we are missing!

Closer and closer we creep...the rhythms start disentangling themselves...chings of zill accenting the form the drummers create. We creep closer, and more melodies start to take flight. We do not know quite what to do, but now we are stepping in time to the sounds we hear... We are grateful for wearing such ostentatiously shiny sparkly garb underneath our creeping-around-in-the-dark-looking-for-the-battle clothes! And we are happy we thought to bring our coin belts with us. This is not the FIRST time we have mistaken a party for a battle. We nod to each other knowingly, and step into the vision of the Oasis. We set aside our weapons for one fleeting night to celebrate our glorious Kingdom, our brilliant Barony, and the camaraderie each of us shares with each other, and we begin to dance.

Come one, come all to the Winter Oasis! Bring any music making tool, be it a flute or a rattle, a whistle or an oud, and play it! Sing! Dance! Hold the darkness of Winter at bay by laughing and dancing and eating! If there is a tapestry you cannot live without hanging upon the wall, please come hang it! Please feel free to bring a snack (vegetarian only please) or a drink (of non-alcoholic nature) to share! There is no alcohol or meat allowed in the Temple. And please be aware there is no crash space for the children as they grow weary in the night.

Directions: Exit I-25 at Prospect. Continue West on Prospect to College. Turn South on College. Turn West onto Drake. The Synagogue is on the left (South) side.

Once again the distant horns of war call the Outlands to battle, just as they did in Italy as city-states vied with supremacy. The Great Barony of Dragonsspine invites all in the Outlands to come to a Venetian Candlemas, where teams of the mighty populace will have the opportunity to vie for the honor to carry Her Royal Majesty's Own Favor in the upcoming Estrella War.

Activities

Candlemas will provide an opportunity for the fighting units, A&S participants, and support persons who are going to war to flaunt their skills in fun and entertaining competitions. If you are a lone fighter looking for a company to fight with, use Candlemas to show your prowess and negotiate. If you are a mercenary unit looking to contract for the war, Candlemas is your opportunity to come to terms. Activities are scheduled to begin at 11am.

Teams: Teams should be made up of those planning to go to war with the kingdom, Estrella or any other war the Outlands participates in. Not all members must participate in all activities. All teams must have at least one herald who will publicize the prowess of the team throughout the entire event. More heralds and bards may be used. Points are awarded for the word fame spread by the heralds. Teams should not exceed 16 members.

Competitions: (Times to be announced)

Outrageous Outlandish Review- a presentation of Units participating. Each unit may design its own unique manner of presenting itself (as long as it does not violate mundane or Kingdom laws)

Bannerette Tourney for Heavy and Rapier: Teams of 6

Gondola Races: Relay races, teams of 9 which includes 3 heavy fighters, 3 rapier fighters, and 3 either target archers, A&S participants, camp support, or combination of these last.

Tug of War: Teams of 9, same team makeup as the Gondola races but does not have to be same people

Assorted strategy games in the hall

War Dance: Each unit will demonstrate for the Entertainment of the populace their version of a war or victory dance. The populace will choose the winner in the competition.

Special Competition: Baron Giovanni, great patron of the clothiers that he is, will sponsor a competition for the best Italian Renaissance garb.

Children's activities will also be offered. A special children's (5-12) feast table is planned. A silent auction is also planned. Dancing will follow feast. Court will be held around 5pm, should that please and meet the requirements of the Crown and Coronets. Feast to immediately follow court. Sorry, no merchants are permitted under the town's statutes. Alternative activities will be offered inside the hall should the weather be uncooperative. A kingdom war practice will be held the following Sunday.

One and all are invited to a day of revelry in the beautiful Shire of Río de las Animas. The theme of our event is unusual contests and the day is full of fun and challenge. There will be a peasant pacification contest, a debate, a challenging history quiz, a fashion show and much more. Throughout the day there will be games to play. Everyone is encouraged to bring his or her favorite board games. Don't forget the instructions. Ready your songs, dances, poetry plays etc, as there will be a bardic contest for most amusing performance. There will also be a light weapons tourney with a fun theme and lots of prizes. There is the possibility of a heavy tournament, weather permitting. In the evening there will be feasting and a masked ball where you should hide behind your favorite historical figure!

All artisans are highly encouraged to bring their work, be it scrolls, crafts or garb. The contest will be for the most accessible and informative A and S, so ditch that lengthy documentation and bring something even a mundane could understand.

The event will be held at Fort Lewis College so there are a few college rules to be observed. The site is absolutely, bone dry and no live steel is allowed. Please bring a dinner knife that can be mundanely recognized as such. Finally, due to contractual agreements of the college there can be no sideboard and in fact not even snacks brought from home. There is food available in the building the event is being hosted in and there are many fine restaurants in Durango proper. We apologize for any inconvenience. Diabetics or others with special needs may be exempt from this rule.

Feast is limited to 50, please contact Jaques to make reservations. Crash space: there are lots of hotels in the area and limited crash space will be available. Please contact Jaques if you are interested in staying with someone overnight. Space is available before and after the event. Directions: Take your best route to Durango, CO. Take College Dr up to campus (don't worry here are only really two streets that run through town and College crosses both of them). Park anywhere. Ask anyone for directions to the CUB.

Kingdom Officer's Reports

from The Kingdom Seneschal

Greetings unto the noble populace of the Outlands this fine winter day.

The hounds of war are close at our heels and it beckons to us. Those of you who are fortunate enough to make the trip to the lands of the Sun, pack plenty of multi-weather clothing, plan for food, travel in pairs or packs, see to the health of your beast of burden, take plenty of sun screen and water. And then there's money...remember that the troll will not accept written promissories in the form of checks; but they will accept cashier's checks, money orders, and cash! Take plenty of cash along with you. If you are travelling with children, plan to sign waivers for them at troll; if the children are not your own, you will also need a notarized statement of guardianship for each child giving you temporary custody and responsibility for the children during the trip--they will be your sole responsibility while they are in your care, so make sure their parents are aware of that. This paper must be shown at troll, but each child must keep the paper on his/her person. It sounds like a lot of paperwork, but there are reasons, one of which is so that you can authorize any needed medical treatment in lieu of the child's parent(s) since minors cannot authorize themselves. And although none of us ever plans for things to go amiss, it is better to be prepared. I believe this form has found its way to the Web, or you may get one from your local seneschal, or just call me and I'll send you one.

The Kingdom Law changes which were announced during Unser Hafen Baronial Investiture in October have been proclaimed as formally rescinded in Their Majesties' Court. Their Majesties will review current Kingdom Law and it will be published in its entirety at a later date.

If you have not already begun work on your Domesday Report, begin it now! Domesdays for most offices are mid- to late January. Your Kingdom Officers need these reports in order to prepare a report for their Society counterparts.

May your journeys be safe and your hearths be warm,

Mistress Coemrí nÉithne

from the Kingdom Earl Marshal

Greetings Outlanders!

Although these long winter days may chill our bones, again we must prepare to take up arms. The time for War draws closer and we must all continue preparations.

Once again this is a good time to check your gear. Armor takes a lot of abuse during war practices and weapons get banged up as well. Check your thrusting tips and rivets now so you don't have to at the War. All fighters should make every attempt to attend the upcoming War practices to get warmed up for Estrella and to practice tactics and teamwork. There should be a practice on the Sunday following Caerthan 12th Night, another sometime on the weekend of Citadel 12th night and one in the College of Saint Goliath late in January. Noncombatants should also join in War practices to support our fighters. We are always in need of water bearers, marshals and support staff. If you don't know how to water bear or how to marshal, now is a good chance to learn so that you can help out not only in practices but at the War. Once again this year the Outlands will need to provide marshals at Estrella (minimum of 1 per 25 fighters). If you are interested in becoming a marshal to help the War effort, contact your local Knight Marshal or authorizing Marshal well beforehand so that you can be properly trained and authorized.

Thanks, and Be Safe!

Duke Brothgar Monomakh

from the Kingdom Archer General

Greetings and a Happy New Year to the Archers of the Outlands.

I hope your holiday season has been enjoyable and not too crazy. The past year has been a great learning experience and I have gained much insight on how much is involved in running this office. Many thanks to Lord Damian, Mistress Kathryn, The Honorable Lady Lyssa, The Honorable Laird Duncan, Master Thorfinn, Lady Catelin and all the Archery Captains and Marshals of the Field who keep this archery program running. Keep up the good work.

The first of December saw the mailing of the first written test for all archery marshals. All archery marshal warrant cards, issued up till that date, expired on 12/31/99. To renew your warrant you must have filled out a new application form and completed the test included in your packet. Then return the test and application form to me. I will review the test results and mail your new card, which is good until 12/31/01. If you currently have a card that expired on 12/31/99, and did not receive a packet from me the contact information I have in my records is out of date. Please contact me as soon as possible at:

Karen Swayze, 11622 Gilpin St., Northglenn, CO 80233, Email: kswayze@lucent.com
303) 452-0717

With your new information and I will get your packet in the mail immediately. We need to keep as many marshals active as possible to keep the program going.

I'm looking forward to seeing and/or meeting many of you at Bows in the Snow and Estrella War. Keep those bow arms limbered up and make your preparations for a grand year of archery.

Yours in Service to the Dream,

Lady Ailinn Shadowfox

from the Kingdom Equestrian Marshal

Greetings!

The horses have grown their winter coats and the owners have prepared for winter after a wonderful year for the equestrians! We had a number of new events to include the equestrian activities as well as the return of some old standbys and it was a great year. Looking to the new year I have heard rumblings of even more plans for the upcoming tourney season and it should be another good season for our four legged friends. Once again our Kingdom will be represented at the Gulf Wars Equestrian tournaments, and I have had word that there will be a war point at stake this year! If you have not had the chance to see what we do, come and check us out!

Happy New Year!

In Service,

Lady Moyra MacColla

from the Kingdom Arts & Sciences Minister

Greetings to all in this glorious new year!

The season for revelry is ended, and the days when our thoughts are occupied with war are surely upon us. But fighting is not the only field upon which wars can be won. So too, can they be won in the Arts and in the Sciences.

By now, I am sure that all of you know that the categories for war points are Tournament Furniture, Poetry and Spinning. I hope that many of you are busy at work on your entries. To those of you who cannot travel to war, fear not! Entries for Arts and Sciences need not be accompanied by their creator. Send your entry with a comrade, and do your share to bring

ictory to the glorious Outlands and her allies. Remember to let your local officers know if you
lan on sending/bringing an item to war.

Iso, we are in need of judges for the three categories, each kingdom responsible for providing
ne judge in each category. Please let me know if you are interested in judging by emailing
arobert@unm.eud or phoning (505) 452-1687. Your help is needed also. If anyone is
interested in helping at the Arts and Sciences tent, please let me know as well. It would be nice
o see those tending the display having breaks throughout the day. Service need not be tedious
hen there are many hands to make the work lighter.

OOD FOR THOUGHT: Knowledge is one of the few things that grow when you share it with

The Honorable Lady Eileen Fraser

from the Kingdom Scribe

Greetings unto the populace of the Outlands from The Honorable Lady Maredudd, Kingdom Scribe.

Another reign has come and gone. I would like to commend the scribes of the Outlands for their dedication and hard work in completing 148 scrolls for the reign of Lycurgus and Mikulina. Your artistry and time is greatly appreciated by myself and by the people of this glorious kingdom. To each and every one of you, a heartfelt "Thank You."

Lady Rivka distinguished herself by completing more scrolls than any other scribe.

There is plenty to be done for the current reign. If you would like to do scrolls for the Crown please contact me. Likewise, if you haven't received an assignment recently and want one, I would be glad to put you to work! My contact information is listed in the front of the Outlandish Herald.

I would invite all Scribes to the Herald's and Scribe's symposium to be held in Dragonsspire in March. There will be a wide variety of classes for both the beginning and experienced scribe and some classes that will address heraldic issues from the scribe's standpoint. We're also planning a Scriptorium, where you can see the fine work of the Outlands' Scribes, and perhaps try your hand at a new skill.

The new Scribe's Handbook will be ready at Herald's and Scribe's, so come collect your copy. There will be a limited number, and the cost is yet to be determined; contact me as it gets closer to the event if you have questions. I am also taking reservations for copies; contact me to reserve yours.

The handbook contains (among other things) approved copies of scroll texts. You are welcome to write your own texts, but remember that all texts must be approved by the Kingdom Scribe. Texts submitted for approval may be used in the future on other scrolls.

Thanks again to all the hard working scribes in the Outlands, and I hope to see many of you at Herald's and Scribe's!

The Honorable Lady Maredudd

From the Kingdom Chamberlain

greetings Outlanders!

I am Duchess Madigan of Kandahar and it is my great honor to serve as the new Kingdom Chamberlain. I am a deputy to the Kingdom Exchequer and am charged with inventorying and maintaining the Royal Regalia of the Outlands. Kingdom Regalia is the property of the Crown of the Outlands, ownership of Royal regalia is transferred with each seated set of Royalty. Therefore, no other persons than the Crown of the Outlands may display items meant for the King and Queen. Whether with the royal arms, or with their function, these items are meant for the sole use of the Crown of the Outlands. Items of regalia include: The Crowns, Scepters, the Great Seal of the Outlands, The King's sword, Lightning, the signet rings, thrones, tabards, banners, dishes and other useful items.

I am in the process of inventorying and repairing several items in need. To this end, I ask assistance from able artisans and craftspeople. Firstly, I have need of new poles for the Kingdom shades. Please contact me if you can donate time or materials to this effort. I would like to use wooden poles and will have more details available for those interested.

Secondly, if you intend on gifting the Crown with any items intended for use as regalia, please contact me to ensure that you are not duplicating an existing piece of regalia or that some other gentle has not already undertaken the task. All items meant for regalia should be approved by the Crown or my office to ensure their proper use. Monetary reimbursement is the exception for items of regalia and not the rule. The financial committee must pre-approve any expenditure made on Kingdom Regalia that is to be reimbursed.

If you would like to give a gift that is not intended as regalia, but more as a personal keepsake, please do not use the King or Queen's arms. If you would like to decorate the item in an heraldic manner, please use the Kingdom Ensign, which does not have a Laurel wreath or a crown on it. Copies of the appropriate heraldry are available on the Outlands website.

My contact information is on the Kingdom Officers page of the Outlandish Herald. Please do not hesitate to contact me with great ideas and helpful offers.

In service,

Duchess Madigan

From the Kingdom Minister of Children

Into the Populace of the Outlands doth the Honorable Lady Caterina Fregoso send greetings!

As you may know, our noble Kingdom now has a Ministry to better serve the needs of our younger gentles and their parents. For the next few months, I will be serving you as the Kingdom Minister of Children pending the final decision of the Crown. It is my duty to seek out other worthy gentles willing to serve their Baronies, shires and cantons in this noble way on a local level. I am looking for those who have had some experience working with children, but that will not be the sole basis for acceptance. Anyone wishing to aid in the guidance and teaching of our youth should send their letter of intent to me, and make their intentions known to their local Seneschal as well. Any gentle wishing to send in a letter of intent for the position of Kingdom Minister of Children should address this to Mistress Coemri ni Eithne, the Kingdom Seneschal, to avoid any conflict of interest.

The Minister of Children is considered a lesser office, and a deputy to the Seneschal, much like the Hospitaller. You should be willing to report monthly to the Kingdom officer as well as to your local Seneschal. A report will be sent to you as well, informing you as to what is happening in other areas, upcoming events, tips on working with kids and activity ideas. You may or may not be asked to submit a letter to your local publication, depending on the needs of your group. My goals as a Kingdom Officer are:

- 1) To have a local Minister of Children in every group that needs one.
- 2) To provide a network for advice, support and ideas, as well as problem solving.
- 3) To provide activities for children at every local and Kingdom event.
- 4) To have active Kingdom guilds and interest groups for children, such as banner bearers, water bearers, runners and pages, junior archery and boffers, with strong local support.

Additionally I would like to have regular collegiums for youths and newcomers, more mentoring and paging of children to adults and more recognition of our youth for outstanding service, pursuit of the arts and martial arts. I will also be appointing regional deputies, to better serve the needs of the populace. Lady Amice de Fayel will be the Far Northern Deputy, and also serves the Barony of Unser Hafen as their Minister of Children. If any would be desirous of taking on these extra responsibilities, please let me know.

If you would like to join with me in this vision for the future of our younger gentles, please contact me via e-mail at:

karen.french@bnsf.com or mail your letter of intent to: THLdy Caterina Fregoso (Karen French)
11031 N. Marshall St. Westminster, CO 80020

For further information, you may contact me after 6:00 pm at (303) 438-0632

Yours in service to the Dream,

The Honorable Lady Caterina

From the Kingdom Chronicler

Not a lot for me to say this month. It's a new year already! It seems like just yesterday when I made my oath as a Kingdom Officer in front of the crown at the time, Hrothgar and Madigan. 15 months, and three Sovereigns later, I'm still around, trying to give you folks the best that you deserve, and hoping that I succeed at least part of the time. But I have to give all the credit where it belongs, to you the populace. Without you telling me what's good and bad, what works for you and

what doesn't work for you, what you'd like to see and what you never want to see again, I wouldn't be sure I was doing my job properly.

After a suggestion by one gentle, I have begun E-mailing local seneschals with upcoming event information, and the list of what is and isn't presently there in an event announcement. Hopefully, this will alleviate any problems in articles not making it before the deadline, and having myself or The Honorable Lady Illeana have to track down any necessary information. Please remember, autocrats, there's a checklist in the back of nearly every OH. Check that article before you send it to your seneschal for approval and make sure you have everything I need in it. Postal addresses are still the most common element that is missing from event flyers.

Thank you, Outlands. Be safe, have fun, and until next month....

In service,

The Honorable Lord Duncan

Board Notes and Other Items of Interest

Thank You's from Coronation

Comtesse AnneAliz sends greetings and thanks to all who helped make Coronation run so well.

The coordinators were all spectacular. To them is due much praise for hard work and great co-operation. The set-up crew was coordinated by Their Graces Aziza, and Madigan. The fabulous feast was planned by Duchess Elisheva. Lord Morris, Mistress Katheryn and Sir Hrorek were the head cook and kitchen managers. Gate and reservations were ably coordinated by Baroness Emma, and Duchess Elisheva. Lord Thorkell made the beautiful site tokens. Duke Irel patiently set up and arranged for throne placement on Saturday. Lady Tana was unable to attend, but still arranged for hotel accommodations. Lord Otteau and his ad hoc crew lent their strength and spatial skills to setting up the tables for dinner. The ever-organized Master Gunvaldt ran an incredible team of servers. The artful Mistress Ælflaed coordinated and presented the wonderful lunch on Saturday. Lord Niall helped in so many ways, especially delivering decorations and tents, and then staying to set up both. Lord Skarbellius washed dishes all day. And finally, Don Govannen and the clean up crew to whom I owe an enormous thank you for the best clean up job ever!

Estrella War Information

Greetings Unto the Populace of the Knowne World

Meet People, Win Prizes, Earn Money for Your Local Group, Help the War Effort! Volunteer at Estrella XVI!!!

Every event, no matter what its size, depends upon the assistance of many, many volunteers to make it a success. Estrella XVI is fast approaching and volunteers are needed for all areas and all shifts. Pre-war Work, Site Set-up and Clean-up, Front Gate, Security, Waterbearing, Marshalls, Chirurgeons and More! Especially needed are those individuals holding a Commercial Driver's License - we need drivers for the watertruck!

If everyone volunteers at least 2 hours of their time at the War, then more people will have a chance to enjoy the fighting and festivities at Estrella! All volunteers will earn tickets for the Volunteer Raffle (double the tickets for late night shifts!) and will also be earning money for their local groups! Don't let this Estrella pass you by without spending an hour or two of your time helping out!

For information on where your help is needed and to volunteer, contact the Volunteer Autocrat, Baroness Ynez at (480) 857-0734 or ynez@mindspring.com.

Children's Activities at Estrella War XVI

Once again this year's Estrella War is proud to sponsor supervised children's activities for those age four and up who attend the event. The Children's Corner is also a great place to make friends and will host many interesting and informative things to do. You won't want to miss out on all the fun!

Since there are no other playgrounds at the Estrella War site, we encourage parents to bring their children to our area so they remain safe and supervised as much as possible. Activities will be at the discretion of the Children's Steward, Lady Sorcha, and will be contingent upon the number of children present, their ages and interests, as well as donations and resources on hand. As always, adult interest and support is encouraged. Please be sure to make appropriate arrangements for your children, no matter what your plans are at the war!

Rules & Regulations -

The hours of operation of the Estrella War Children's Corner will be 9:00 AM - 3:00 PM Thursday - Sunday, February 16-19, 2000. You are welcome to bring your child for a maximum duration of two hours each day, unless other arrangements have been made in advance, and suggest that parents make a donation of supplies or contribute volunteer hours to the Children's Corner. (We remind parents that the Children's Corner is not a baby-sitting service and is provided as a courtesy to event participants, your support will help us make their stay at this years Estrella War something special.) Children must be potty trained, able to dress themselves, and be able to eat regular food. As a rule, lunch will not be provided. However, we will provide nutritious snacks and drinks while the Children's Corner is open. Participants must be signed in/out by a parent, guardian, or other responsible adult, and should be picked up no later than 3:00 PM. Children should be attired in simple garb and should be properly identified with the official wrist bracelet for the war. We ask that they do not bring personal articles with them while in our care, the Children's Corner Steward will not be responsible for lost or stolen items. Finally, parents will be responsible for disciplining their children, unruly behavior will be cause for separation and they could be returned to you if necessary.

Planned Activities -

This year the Children's Corner has been designed to accommodate two age groups; 4-8 and 9-13. We will have two pavilions set up, one for each age group, with appropriate activities planned for them. The younger kids will be able to play games, make arts and crafts, listen to stories, and enjoy outdoor activities. The older kids will attend hands on classes in the Children's Collegium, as well as have more complex games, arts and crafts activities, and other entertainment. Each group can participate in special activities like scavenger hunts, children's parade, field trips and other fun outings as they are identified.

Donations and Volunteers -

For those who can contribute time and resources, volunteers and donations of materials are always appreciated. Our wish list of preferred donations includes, but is not limited to; complete simple board games, puzzles, blocks, coloring books, storybooks, outside play sets, jump ropes, balls, badminton, as well as arts & craft supplies like paint, paper, glue, glitter, beads, clay, and crayons. We also need donations of nutritious food and drinks! Our volunteer needs encompass the following: Shift Workers, 2 shifts at 3 hours each, 2 people per shift per day. Special Activities Coordinators: for Field Trips, Scavenger Hunts, Children's Parade, etc.. Collegium Instructors: Adult and Youth teachers, 2 classes per day for 4 days.

For more information, want to make suggestions, contribute donations, or have any comments, please feel free to contact me via e-mail at wren@mail.mc.maricopa.edu or by telephone (480) 964-1226 before 9:00 PM.

In service,

Lady Sorcha ni Donnghaife

Autocrats, please take notice of the article size constraints, and try to stay within them. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which **MUST** be the month of the event (i.e. A March event **MUST** run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the three (3) publication limit. Additional printings may be purchased at the current advertising rates. Kingdom Events (Crown, Coronation, A&S Competition/Collegium, and others as designated by the Crown) receive one (1) page in the publications prior to the event, and two (2) pages the month of the event. Non-Kingdom Events receive one-half (½) page in the publications prior to the event, and one (1) page the month of the event. Additional space may be purchased for any publication month at the current advertising rates. Current advertising rates are listed in the front of the Outlandish Herald. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (½) page article, and 600 words in a one (1) page article.
